POLICY FOR RETURNING PRODUCT FOR REPAIR OR WARRANTY

Please help us to help you, to receive the fastest and most complete Customer Service. Please review our Warranty information at <http://www.streamlight.com/support/default.aspx> before returning product for repair.

You can also visit our web-site at <http://www.streamlight.com/faq/> for some common questions, and information about how to return your product for service.

Prior to sending the Streamlight product to us, check the following:

- Has the light been checked for a bad bulb?
- Has the light been checked with new batteries?
- Bulbs and non-rechargeable batteries are not covered by our Warranty Policy. We do not exchange lights that can be repaired. Per our warranty, it is our option to repair our products or replace a product if it cannot be repaired.

Please include the following information with the light:

- Contact Name , Street Address, City, State and Zip code. We cannot ship by UPS to a Post Office Box.
- Daytime Phone number / Email address
If billing is to be sent to a different address, please clearly identify the bill to address.
- Products will be returned to the originating sender unless clearly identified otherwise.
Identify if an estimate needs to be provided for non warranty repairs.
- Include proof of purchase. Dated proof of purchase is needed for those items with a one year warranty (Rechargeable batteries, chargers & cords and a few lights.)
- Identify the model (i.e. Stinger, Scorpion, etc.), color and quantity of the product.
- If returning a LED light that has a colored LED (not white), please identify the color if known.
- Briefly describe the defect or problem with the product and if you have any special concerns.
