

THE SIEGE®

ALKALINE BATTERY POWERED LANTERN

Hangs with spring-loaded D-ring, which stows against the body when not in use

Ergonomic handle designed to lock in upright or stowed position

Available Colors: 

The Siege is bright enough to light up a whole campsite. Its handle and D-rings allow you to hang it or clip it almost anywhere, upright or inverted. It has three white light settings, a red light for softer, less intense light, and an SOS mode. Battery status indicator flashes to alert you of low battery.

KEY FEATURES

- Rugged and cordless lantern provides 360 degrees of soft, even light that illuminates a large area
- White light with high, medium, and low modes
- Red LED with high and emergency SOS function

OUTPUT
