

VANTAGE®

HELMET-MOUNTED LIGHT

Fits snugly against helmet

Blue taillight LED ensures you can be seen from behind

Available Colors: ●

The solution to firefighters' hands-free lighting needs. Attaches quickly and easily to helmets and hard hats. Fits snugly against your helmet to prevent snags. Includes a bright blue taillight LED so you can be seen from behind, even in heavy smoke. Easy to operate with gloved hands.

KEY FEATURES

- Lightweight, compact design easily attaches/detaches above or below brim on fire helmets, industrial helmets, and hard hats
- Features ultra-bright blue taillight LED so you can be seen in thick smoke
- Fits both traditional and modern style helmets
